AGED CITIZEN PASSES AWAY

Columbus Kearley Died Wednesday at the Home of His Son John.

Columbus Kearley, aged 84, died at the home of his son, John Kearley, near Dorton, Wednesday morning, as the result of a general breakdown due to age. He had been failing for several years and his death was not unexpected. The remains were laid to rest in the cemetery here Wednesday.

The deceased was born in Sequatchie valley and he lived practically all his life in this and Bledsoe counties. He reared a family of three daughters and five sons. All the daughters are dead and two sons also. The remaining sons are John, who lives near Dorton this county, W. O. and M. L. Kearley, both of whom now reside near Buhl, Idaho. His wife preceded him to the grave some 25 years ago or longer.

The deceased was a member of the M. E. church, was a man of very strong convictions and outspoken in his likes and dislikes. In spite of there being no opportunities for education when he was a boy, he learned to read and being an inveterate reader he acquired quite a store of information. He was gifted in speech and took much delight in arguing many questions that were prominent in the public mind during his time. He was elected county court clerk of this county in about 1869 or 1870. For many years he was county coroner. If he was a friend to any one nothing could turn him from that loyalty and if he was opposed to any person he never hesitated to make that opposition known, if occasion demanded. He was not a soldier during the war between the states, but was an uncompromising union man and voted the republican ticket all his life. He had a marvelous intellect for one of his meagre opportunities and had been given the advantages of the average person of this day he would have wielded a mighty force in his community. For many years he was a prominent figure in Crossville and he is remembered by many here as a man who never failed to take a position on any important subject and always had a reason for the faith that was in him and that reason he was never ashamed to state.

He is gone, and one of the ancient and notable landmarks of the older days in this section has been removed, but it will be long before he will be forgotten by many of his former associates.

DIED FROM AN OPERATION.

J. W. Scott, Prominent Harriman-Citizen, Passes Away at Knoxville General Hospital.

J. W. Scott, brother of Mrs. G. A. Schlicher, died in the Knoxville General Hospital Wednesday at 3:50 as the result of an operation for affection of the mastoid glands. The remains were brought to his home in Harriman, where they were buried with Masonic honors.

Mrs. G. A. Schlicher was summoned to the bedside of her brother Tuesday of last week and remained with him until the end came Wednesday morning. The deceased was an attorney, a member of the Christian church, a Mason of high standing, was one time mayor of Harriman, and was born near Wartburg, Morgan county, May 1, 1857, and was in his 60th year. He was the oldest of a family of nine children born to John L. and Perlesia Scott. He was well known to many in this county and was recognized as one of the leading lawyers of this section of the state. Having had a wide experience in surveying and mapping the lands of several of the mountain counties he became renowned authority on land titles throughout this and several other mountain counties.

The Harriman Record in speaking of him said the following in part:

"The people of Harriman and all this section have been called upon this week to witness the departure from this field of activity of one of the best men that the county has been able

to boast of. Joe Scott was a man among men. He was respected by all because he deserved respect. As a citizen he was above reproach. As a man he was all that could be wished for. As a friend, he was such a friend as one who had the good fortune to have his friendship, had that which was without price. As a loving father and husband and brother, there were very few his equal and none his superior.

"Joe Scott was born with an instinct to see the right way and do the right thing on the spur of the moment. It required no effort for him to do right. He did it without thinking of doing otherwise. The highest tribute that can be paid to any man is to say that he was an honest man—honest not only in business relations, but honest in all relations."

No higher tribute could be paid a citizen and all who knew the deceased are free to admit that what the Record has said was true and deserved.

The Mecca.

Friday night at the Mecca there will be a Paramount feature, "Under Cover," featuring Hazel Dawn, one of the leading stars in the movie world. Show starts at 7:20 p. m.

SATURDAY NIGHT.

Why not attend the greatest show Cumberland county and Crossville has ever had, which will be shown here Saturday night? "Neptune's daughter," featuring Annette Kellermann, "the perfect woman." The wondrous beauty of the story, written by Captain Leslie T. Peacocke, the enchanting scenes afforded by the Bermuda Islands with their coral reefs, submarine grottos, semi-tropic verdure and the vast expanse of the wide Atlantic; the company of over 200 actors, headed by Miss Kellermann, who, aside from her marvelous aquatic feats, which she has many opportunities to display in this drama, proves that she is also a splendid actress, a graceful dancer, an expert swordswoman, and mistress of a hundred arts which contribute to the success of the production; the masterly staging of the drama by Herbert Brenon—all these are factors which help to make "Neptune's Daughter" a production to be watched with delight and never to be forgotten.

"Neptune's Daughter" was produced at a cost of \$50,000 and was three months in preparation. Its success in New York has been sensational. Never before have the newspapers of New York devoted so much attention to or bestowed as much praise on a film production.

The Cumberland County Fair will open Friday, September 29, and last two days. Following is the premium list with the exception of some special premiums that are to be given by the merchants. Look the list over carefully and prepare to make exhibits of the best articles you can.

The fair will be held in the court house and High School building and there will be an admission fee of 25 cents for persons 12 years of age or over and 15 cents for children under 12 years of age. When you enter the grounds you must have the tag given you at the gate tied to you in plain view or you will have to retire. You cannot lend or transfer your admission tag to any other person before or after entering the grounds. The admission fee above named will admit you to the court house grounds or high school building for the full two days. Every person must comply with these conditions or remain outside the court house yard and high school building. No charge for children under eight years. The Ladies Exhibit will be displayed in the high school building and all articles intended for that department should be taken there.

All entries must be made not later than ten o'clock Saturday morning, except the Ladies Department, which will admit no entries after two o'clock Friday afternoon. Judging will commence immediately after entries are closed and continue until completed. An entrance fee will be charged of 20 per cent of first premium in all departments. There will be second premiums in all departments and the second premium will be half the first, except in the Ladies Department.

The fair will be open to all persons who wish to exhibit either live stock or products of any kind. People from adjoining counties are especially invited.

REPUBLICANS AROUSED.

Will Open Headquarters and Make Active Canvass of the County.

Monday night a few of the leading republicans met in the room formerly occupied by the Cumberland Mercantile Company and decided to perfect an active and vigorous organization for the coming election.

There will be a large banner stretched across Main street bearing the words: Republican Headquarters. Sampson DeRussett will be at headquarters all the time, he will have plenty of literature and several national republican papers that will be for the free use of those who wish to read them. It is also expected that several prominent speakers will address the republicans of the county at Crossville and other points. A thorough organization of the entire county will be perfected and an active and determined effort made to get out the vote in the coming election, November 7. Judging from what we have learned from talking with the republicans from all parts of the county there will be a more general turn out in November than for many years.

What action the democrats will take to forestall this action we have not learned, but it is safe to say they will not be found sleeping.

A CORRECTION.

Last week in speaking of the road working the Friday before we said: "Not a single person who owns an automobile, with the single exception of Volner Hamby, gave any aid to the movement." This statement was an error and we do not know how we came to make such a blunder other than that the item was hastily written at the last minute as we were closing up the paper and thereby forgot to say that Oliver Rector also assisted with his car. He took a load to Dorton in the morning and the editor of the Chronicle was one of the number and why we should have forgotten the fact we shall never know. We regret the error and can only say it was one of those blunders that will come upon us at times without any kind of an excuse.
